Grant Amendment Request

You may either type your request in the space provided below; or create the text in your word processing system and then copy it into the space provided below.

This amendment request is to correct a health insurance benefits miscalculation in the original SAFER grant application.

The funding needed to cover health insurance benefits for the SAFER firefighters was calculated incorrectly, using the monthly cost instead of the annual cost, creating a 22-month shortfall in the total amount requested. The error was not caught until after the application had been submitted.

The total cost of health insurance benefits per firefighter is \$12,504 per year for health, dental and vision coverage. For the 15 SAFER firefighters combined, this equals \$187,560 per year.

Two months of coverages were included in the original application. This amendment is requesting an additional \$343,860, or \$171,930 per year to fund 22 months of health insurance benefits omitted from the initial request.

We appreciate the ability to fully our SAFER project.

The requirements for allowable costs/cost principles are contained in the A-102 Common Rule, OMB Circular A-110 (2 CFR § 215.27), DHS program legislation, Federal awarding agency regulations, and the terms and conditions of the award. The four costs principles circulars are as follows: - OMB Circular A-21, Cost Principles for Educational Institutions, relocated to 2 CFR Part 220. - OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments, relocated to 2 CFR Part 225. - OMB Circular A-122, Cost Principles for Non-Profit Organizations, relocated to 2 CFR Part 230. – OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations.
