RECITALS

A. The City of Tucson on August 1, 2012 entered into Contract Number 120471, and subsequently the parties entered into various amendments to the contract (collectively, the "Panasonic Contract"), a copy of which is incorporated by this reference.

B. The City is permitted to purchase the goods and services described in the ESRI Contract without further public bidding, and the Panasonic Contract permits its cooperative use by other governmental agencies, including the City.

C. The City believes these conditions are met for purposes of the Panasonic Contract.

D. The City desires to contract with Contractor for supplies, goods or services identical, or nearly identical, to the supplies, goods or services Contractor is providing the State of Arizona under the Panasonic Contract, Contractor consents to the City's utilization of the Panasonic Contract as the basis of this Agreement, and Contractor desires to enter into this Agreement to provide the goods and services set forth in this Agreement.

1. Term of Agreement. This Agreement is effective as of the date first set forth above and expires on July 31, 2015 or such other later date as the City of Tucson Contract Number 120471 expires pursuant to extensions or renewals that from time to time may be granted.

- b) Contractor agrees to comply with all the terms, conditions and specifications of the Panasonic Contract for the purposes of this Agreement, and the terms, conditions, and specifications are incorporated in this Linking Agreement by this reference. 3) Compensation.

- a) The total purchase price for the Services as authorized in this agreement is not to exceed Sixty thousand one hundred sixty four dollars and twelve cents (\$60,164.12), which includes the expenditure in Exhibit "A," plus an allowance for taxes and contingencies.
- b) This amount is estimated and a contract amendment will be executed if additional funds for additional work is needed to complete the deliverables of the Scope of Work. The City may from time to time elect to purchase additional goods and services from Contractor pursuant to the Contract, and the City will comply with all applicable laws regarding procurement and approval of such purchases.
