Licensee and any and all Contractors shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language providing the required insurance coverage. All certificates and endorsements are to be received by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Licensee's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements, required by these specifications, at any time.
 - h. **Waiver of Subrogation.** Licensee hereby grants to City a waiver of any right to subrogation which any insurer of said Licensee may acquire against the City by virtue of the payment of any loss under such insurance. Licensee agrees to make reasonable efforts to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.
 - i. **Notices to the City.** The Licensee will provide the City, without request, copies of any petition or application related to any filing by the Licensee of bankruptcy, receivership or trusteeship and any notices received from regulatory agencies pertaining to the operations of the Billboard.

- a. City will in all instances, except for loss, damages or claims resulting from the sole negligence or fault or gross negligence of City, be defended and indemnified by Licensee against any and all Claims arising out of Licensee's Conduct. Licensee will be responsible for primary loss investigation, defense and judgment costs where the indemnification is applicable. City will give the Licensee prompt notice of any claim made or suit instituted that may subject the Licensee to liability under this section, although timing of such notice will not diminish Licensee's duty to defend and indemnify unless such timing actually prejudices Licensee's ability to defend, and the Licensee will have the right to compromise and defend the same to the extent of its own interest.
 - b. City shall cooperate with Licensee and its counsel in such defense.
 - c. City may, but does not have the duty to, participate in the defense of any Claim with attorneys of the City's selection and at the City's sole cost without relieving the Licensee of any obligations hereunder.
 - d. Licensee's obligations under this Agreement survive any termination of this Agreement or the Licensee's use or activities in the License Area.

- 7.2. Limitation of Liability. In no event is either party liable or obligated to the other party or any third party for any special, incidental, exemplary, consequential, punitive or indirect damages regardless of the form of action, whether under theory of contract, tort (including negligence), strict liability or otherwise, even if informed of the possibility of any such damages in advance. The foregoing limitation on liability shall not apply to claims for which a party is obligated to provide indemnity under this Agreement, claims arising from fraud, gross negligence or willful misconduct of a party, claims for breach of confidentiality, or claims of infringement of intellectual property rights.

- d. Licensee's insurance coverage shall be primary insurance with respect to the City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Licensee's insurance and shall not contribute with it.
 - e. As commercially reasonable and at any time, City's Risk Manager may alter the requirements above or determine additional insurance is necessary for Licensee's operations.
 - f. Notice of Cancellation. Each insurance policy shall be endorsed to state that coverage shall not be canceled except after thirty (30) days' prior written notice (10 days for non-payment) has been given to the City.
 - g. Licensee and any and all Contractors shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language providing the required insurance coverage. All certificates and endorsements are to be received by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Licensee's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements, required by these specifications, at any time.
 - h. Waiver of Subrogation. Licensee hereby grants to City a waiver of any right to subrogation which any insurer of said Licensee may acquire against the City by virtue of the payment of any loss under such insurance. Licensee agrees to make reasonable efforts to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.
 - i. Notices to the City. The Licensee will provide the City, without request, copies of any petition or application related to any filing by the Licensee of bankruptcy, receivership or trusteeship and any notices received from regulatory agencies pertaining to the operations of the Billboard.

Licensee will defend, indemnify and hold harmless the City, its officers, officials, and employees, and agents (collectively, the "City") from and against any and all losses, damages, claims, actions, liabilities for bodily injury or personal injury (including death) or loss or damage to tangible or intangible property (collectively, "Claims") of whatever nature, including attorney's fees, court costs, expert witness fees, costs of litigation or expenses, cost of claim processing and investigation, caused in whole or in part that arise out of any act or omission of Licensee or its agents, employees and invitees (collectively, "Licensee") in connection with Licensee's, or related to Licensee's owners, officers, directors, agents or contractors, Permitted Use and operations in the License Area and that result directly or indirectly in any type of injury to or death of any person or the damage to or loss of any property, or that arise out of Licensee's use, activities or operations, including the failure of the Licensee to comply with any provision of this Agreement (collectively "Licensee's Conduct").

- a. City will in all instances, except for loss, damages or claims resulting from the sole negligence or fault or gross negligence of City, be defended and indemnified by Licensee against any and all Claims arising out of Licensee's Conduct. Licensee will be responsible for primary loss investigation, defense and judgment costs where the indemnification is applicable. City will give the Licensee prompt notice of any claim made or suit instituted that may subject the Licensee to liability under this section, although timing of such notice will not diminish Licensee's duty to defend and indemnify unless such timing actually prejudices Licensee's ability to defend, and the Licensee will have the right to compromise and defend the same to the extent of its own interest.
- b. City shall cooperate with Licensee and its counsel in such defense.
- c. City may, but does not have the duty to, participate in the defense of any Claim with attorneys of the City's selection and at the City's sole cost without relieving the Licensee of any obligations hereunder.
- d. Licensee's obligations under this Agreement survive any termination of this Agreement or the Licensee's use or activities in the License Area.
- e. In consideration for the use of the premises, the Licensee agrees to waive all rights of subrogation against the City, its officers, officials, employees, and agents arising from Licensee's use, activities, operations or occupancy of the premises.

7.2. Limitation of Liability. In no event is either party liable or obligated to the other party or any third party for any special, incidental, exemplary, consequential, punitive or indirect damages regardless of the form of action, whether under theory of contract, tort (including negligence), strict liability or otherwise, even if informed of the possibility of any such damages in advance. The foregoing limitation on liability shall not apply to claims for which a party is obligated to provide indemnity under this Agreement, claims arising from fraud, gross negligence or willful misconduct of a party, claims for breach of confidentiality, or claims of infringement of intellectual property rights.

7.3. The indemnity obligations in this section shall survive expiration or termination of this Agreement.

- 8.2. Licensee must, at its own cost, obtain and maintain in full force and effect during the term of this Agreement all licenses and permits required for all activities authorized by this Agreement.

9. RULES AND REGULATIONS. Licensee must at all times comply with all federal, state and local laws, ordinances, rules and regulations which are applicable to its use and activity or operations on the License Area, including all laws, ordinances, rules and regulations adopted after the Effective Date.
