- 2.10.6 The fuel surcharge shall be based on the current quarterly index of the West Coast (PADD5) Diesel (On-Highway)-All Types or Reformulated Areas Gasoline compared to the previous quarterly index period as reported on the Energy Information Administration (EIA) website: <http://www.eia.doe.gov/>

AMENDMENT No. 1  
 To  
 SERIAL 11149-S GENERAL MAINTENANCE AND REPAIR (HANDYMAN SERVICES)

Between

Woodruff Construction  
 &  
 Maricopa County, Arizona

WHEREAS, Maricopa County, Arizona ("County") and Woodruff Construction ("Contractor") have entered into a Contract for the purchase of General Maintenance and Repair (Handyman Services); dated February 2, 2012 ("Agreement") and effective February 2, 2012 County Contract No: 11149-S.

WHEREAS, County and Contractor have agreed to further modify the Agreement by changing certain terms and conditions;

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as follows.

*Add the following language (bold) to the contract terms:*

2.4 PROJECT WORK AND TIME AND MATERIALS:

Project work shall mean work performed on major projects or major repairs to facilities. Each of the contractors assigned to this contract shall be provided a request for project quote with a detailed Scope of Work. As such, each contractor MUST submit a response, with award to the lowest quote of the project. Contractors are not to submit their own project quote sheets. Only County letterhead quote sheets are acceptable. All terms and conditions are those established under this agreement. All additional labor charges outside the Scope Of Work are those established in Attachment A, PRICING.

- (A) The threshold from time and materials to project work shall be \$5,000.00, except for projects that primarily involve painting services (2.1.6) as determined by the County. For projects that primarily involving painting services the threshold from time and materials to project work shall be \$1,000. Exceptions to this shall be emergencies that arise and must be dealt with immediately without the time for project quotes. This figure is not firm fixed. The County reserves the right to adjust this figure to a higher-level if deemed in the best interest of the department.

2.4.1.5 Time and Materials:

This contract may also be used for time and materials work (not to exceed \$5,000, except as noted in 2.4(A) and priced per hour as bid in the pricing section. Each bidder shall be ranked as first call, second call, third call, and so on, and based on the type of service they provide (i.e., residential, commercial, industrial, or a combination thereof). The contractor of record having the lowest labor bid shall be called first by the requesting department for time and materials service. If the vendor is unable to respond in the time parameters, the requesting agency shall proceed to the next lowest bidder. The County must document this via a rank call log. Consistent decline of service requests by a vendor or consistent non-compliance with response time specifications shall cause the County to review the file and a determination made for default of contract.
