KNOW ALL MEN BY THESE PRESENTS:

That

CITY OF GLENDALE, ("Grantor"),
an Arizona municipal corporation

FOR AND IN CONSIDERATION OF THE SUM of One Dollar, and other valuable consideration, receipt of which is hereby acknowledged, does hereby grant to the **SALT RIVER PROJECT AGRICULTURAL IMPROVEMENT AND POWER DISTRICT**, ("Grantee"), an agricultural improvement district organized and existing under the laws of the State of Arizona, its successors and assigns, for itself and on behalf of the United States of America and as manager of the federal Salt River Reclamation Project, the right, easement and privilege to construct, reconstruct, operate and maintain an irrigation pipeline and irrigation turnout structure together with all the necessary and appurtenant facilities through, over, under and across the following described property:

Exhibit "A" attached hereto and made by reference a part hereof.

Grantor shall not convey any easements or grant any permits within the easement areas in which the facilities do not comply with the specifications shown in Exhibit B attached hereto and by this reference made a part hereof.

Grantor shall not erect, construct or permit to be erected or constructed any building or other structure, plant any trees, drill any well, install swimming pools, or alter ground level by cut or fill, within the limits of said rights of way, which do not comply with said Exhibit B.

Grantee shall have the right, but not the obligation, to erect, maintain and use gates in all fences which now cross said rights of way and to trim, cut and clear away trees or brush whenever in its judgment the same shall be necessary for the convenient and safe exercise of the rights hereby granted.

The Grantee shall at all times have the right of full and free ingress and egress to said easement for the purpose heretofore specified.

Grantor and Grantee acknowledge that from time to time Grantee may find it necessary to construct, reconstruct, operate and maintain irrigation facilities and appurtenant conveniences lying within the easement areas.

Grantor shall pay Grantee all costs and expenses of any relocation of the irrigation facilities requested by Grantor, including but not limited to, the relocation of the facilities into the easement area described above.

In the event the right, privilege and easement herein granted shall be abandoned and permanently cease to be used for the purpose herein granted, all rights herein granted shall cease and revert to the Grantors, their heirs or assigns.

The covenants and agreements herein set forth shall extend and inure in favor and to the benefit of and shall be binding on the heirs, successors in ownership and estate, assigns and lessees of the respective parties hereto.

Notwithstanding any of the aforesaid provisions, the easement rights granted herein shall be further subject to the following covenants, restrictions and conditions:

1. Grantor reserves the right to construct, install, operate, maintain, repair, replace and reinstall surface parking areas, driveways, roadways, sidewalks, curbs and gutters, landscaping, irrigation lines and street lighting on the surface of the easement areas.
2. Grantor reserves the right to construct and install public utilities, and to grant easements and permits for public utility purposes, in, upon, under, over and across the easement areas, subject to compliance with the specifications shown in Exhibit B attached hereto and by this reference made a part hereof.
3. In the event that any repair, maintenance, replacement or installation of the irrigation facilities and appurtenant conveniences will cause a disturbance or a disruption of any public street or paved roadway, Grantee shall notify Grantor, pursuant to existing practices, before Grantee undertakes any such action. In the event of an emergency, Grantee shall have use of any public street or paved roadway as it reasonably deems necessary and appropriate to correct, repair, replace or reconstruct irrigation facilities affected by the emergency and notify Grantor, pursuant to existing practices, as soon as practical after responding to the emergency. Grantee shall provide for advance warning signs, barricades, flagmen, flares, and other devices when necessary to protect the roadway user as set forth in the "Manual on Uniform Traffic Control Devices" and any amendments and/or revisions thereto.
4. Grantor shall warrant and defend the rights, easements and privileges hereby granted and the priority of this easement against all persons whomsoever.
