(i.e., unmoved vehicles, disregard for Elite Sports Builders traffic control, sanitation / delivery services, trailers, sprinkler runoff, vandalism, etc.)

This scope of work does not address and will not correct any inconsistencies in the planarity of the existing basketball courts. Any "humps" or undulations in the existing concrete slab will remain.

If work is completed after this date, regardless of cause or fault, pricing will be adjusted to reflect material costs at the time of delivery to the project. All materials and work affected by the oil market are dependant on availability of materials and pricing at the time of completion of the work.
