Background Summary

The location of the establishment is in the Sahuaro District. The property is zoned PAD (Planned Area Development). The population density within a one-mile radius is 8,841 pre the 2010 U.S. census. Outback Steakhouse #0311 is currently operating with an interim permit, therefore, the approval of this license will not increase the number of liquor licenses in the area. The current number of liquor licenses within a one-mile radius is as listed below.

Series	Type	Quantity
06	Bar - All Liquor	910 07
910 09	Liquor Store - All Liquor	910 10
Beer and Wine 910 12	Restaurant	18
	Total	33

Pursuant to A.R.S. ? 4-203(A), when considering this new, non-transferable series 12 license, Council may take into consideration applicant's capability, qualifications, and reliability.

The City of Glendale Development Services, Police, and Fire Departments have reviewed the application and determined that it meets all technical requirements.

Community Benefit/Public Involvement

No public protests were received during the 20-day posting period, April 27 thru May 17, 2017.
