### **FY17-18 BUDGET WORKSHOP**

Staff Contact and Presenter: Vicki Rios, Director, Budget and Finance  
Staff Presenter: Tom Duensing, Assistant City Manager  
Staff Presenter: Terri Canada, Budget Administrator

### **Purpose and Policy Guidance**

The purpose of this item is for staff to present information regarding the Fiscal Year 2017-2018 (FY17-18) proposed operating budget. This will be the second of two all-day workshop sessions where staff will present the proposed budget both in total and by department. Council will have the opportunity to give feedback to staff regarding the proposed budget.

### **Background**

At the December 20, 2016 City Council Workshop, staff presented the Five-Year Financial Forecasts for the General Fund and other major operating funds of the city. Budget discussion continued at the February 7, March 7, March 21 and April 4, 2017 Council Workshops. During the planning process for the FY17-18 budget, a series of budget workshops have been scheduled to seek policy guidance and input from the Council on various budgetary items. During this budget process, staff will advise Council of the potential impacts of budgetary decisions on the long-term financial forecasts.

This is the second of the two all-day budget workshops (April 24 and April 28). The next budget workshop is scheduled for May 2, 2017 before the Tentative Budget adoption which is currently scheduled for May 23, 2017. The public hearing and final budget adoption is scheduled for June 13, 2017. At Council's direction, additional budget workshops may be scheduled; or currently scheduled workshops may be cancelled

depending upon the need.

### **Analysis**

At the workshop, staff will review the FY17-18 budget requests, provide financial and departmental highlights, and respond to specific Council questions. The workshop on the proposed operating budget provides Council with an opportunity to identify changes or seek clarification relative to funding city services.

Based on Council feedback, staff can make changes to the proposed budget or research any additional information needed. Staff will return to Council at the May 2, 2017 Council Workshop for additional follow-up before the Tentative Budget is scheduled to be adopted on May 23, 2017.
